Certified Cost or Pricing Data (Applicable only if certified cost or pricing data has been provided). The clause entitled “Subcontractor Certified Cost or Pricing Data” is a part of this Order if the SELLER was required to furnish cost and pricing data and a Certification of Current Cost or Pricing Data for this Order. If it was not required to furnish such data and Certificate, the clause entitled “Subcontractor Cost or Pricing Data-Modification” is a part of this Order. 1. Indemnification

If any price (including profit or fee) negotiated in connection with the Prime Contract between the government and the BUYER or any cost that is reimbursable under said contract is reduced because cost or pricing data furnished by the SELLER in connection with any proposal submitted by the Buyer relating to said contract or in connection with this Order was not accurate, complete, or current, the SELLER shall indemnify the BUYER in the amount of said reduction.

- i. Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the SELLER to the date the BUYER is repaid by the SELLER at that applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. § 6621(a)(2); and
- ii. For Department of Defense contracts only, a penalty equal to the amount of the overpayment, if the SELLER knowingly submitted cost or pricing data which were incomplete, inaccurate, or non-current.
