Safe Harbor Statement Under the Private Securities Litigation Reform Act of 1995

Except for historical information contained herein, the matters set forth in this presentation are forward-looking statements. Statements that are predictive in nature, that depend upon or refer to events or conditions or that include words such as expects, anticipates, intends, plans, believes, estimates and similar expressions are forward-looking statements. The forward-looking statements set forth above involve a number of risks and uncertainties that could cause actual results to differ materially from any such statement, including the risks and uncertainties discussed in the company’s safe harbor compliance statement for forward-looking statements included at the end of this presentation and in the company’s recent filings, including forms 10-K and 10-Q, with the securities and exchange commission. The forward-looking statements speak only as of the date made, and the company undertakes no obligation to update these forward-looking statements.

U.S. Government Markets Improving

• DoD budget expected to grow in FY16... first increase since FY10

• Procurement drivers
  – Geopolitics
  – Better buying power
  – Afghanistan drawdown
  – Sequestration constraints

• Focus:
  – Less ambitious and less exquisite
  – Quick reaction capabilities
  – COTs based solutions
  – Affordable prices
International & Commercial Markets Growing

- **International** - large addressable market
  - Increased marketing & selling efforts
  - Introducing more products for export

- **Commercial** - favorable fundamentals
  - Growing: aviation products, security screening, simulation & training and SATCOM
  - Declining: shipbuilding products... divesting MSI
L-3 Strategy and Priorities

• Build strong businesses with durable discriminators

• Strengthen market positions… gain market share
  – proactively right-size businesses
  – innovative and affordable solutions
  – IRAD and contract performance
  – excellent customer relationships
  – expand SOF and USG classified business

• Portfolio shaping to strengthen L-3

• Attract & retain key employees

• Maintain strong internal controls

• Grow EPS… generate robust cash flow
Delivering Value to Our Shareholders

• Strong market positions with improving margins

• High earnings to cash flow conversion - - $946 million in 2014

• Disciplined Capital Allocation
  – Share repurchases $823 million
  – Dividend growth
    ▪ Paid $208 million
    ▪ Increased 11th consecutive year
  – Acquisitions $57 million

Operating Performance + Capital Allocation = Delivering Value to Our Shareholders
Summary

• DoD budget inflecting in FY16

• Affordable solutions/technologies aligned with customer priorities

• Winning recompetitions and new business

• Growing international/commercial

• Generating robust cash flow
With Our Sincerest Thanks
