NOTE 1: Examples of a counterfeit part can include, but are not limited to; the false identification of grade, serial number, date code or performance characteristics. NOTE 2: This definition shall be read so as not to conflict with the definition for “counterfeit electronic part” cited in the Defense Acquisition Regulation Supplement (DFARS) 252.246-7007, where that definition shall govern to the extent that clause applies.

Electromechanical parts are devices that have electrical inputs with mechanical outputs, or mechanical inputs with electrical outputs, or combinations of each. Examples of electromechanical parts are motors, synchros, servos, and relays. 1. CONTENTS AND ORDER OF PRECEDENCE: This Order integrates, merges, and supersedes any prior offers, negotiations, and agreements concerning the subject matter hereof and constitutes the entire agreement between the Parties and shall govern the performance and/or delivery of Items and/or Services provided pursuant to the Order. The provisions of this Order shall be construed and interpreted as consistent whenever possible. Any conflicts in this Order shall be resolved by giving precedence in the following order:

(a) the Purchase Order;
(b) these Terms and Conditions (which are incorporated by reference in any Purchase Order issued hereunder);
(c) the Statement of Work; and
(d) Specifications, drawings or other requirements attached hereto or incorporated by reference.

In the event of a conflict in the Articles contained in Section 1 and applicable clauses contained in Section 2, the applicable clauses in Section 2 shall control to the extent necessary for Buyer to comply with Buyer’s Government Contract. No other documents supersede AMS clauses (or other applicable clauses) applicable to Buyer’s Government Contract when the prime contract is with the Government.

2. ACCEPTANCE OF THIS ORDER: Any of the following acts by Seller shall constitute acceptance of this Order:

(a) execution of the acceptance copy of this Order;
(b) initiation of any aspect of performance, or notification to Buyer that Seller is commencing performance, under this Order;
(c) shipping of any Items in performance of this Order, or
(d) acceptance of any form of payment, partial or complete, under this Order.

Any additional or different terms proposed by Seller, including any contained in Seller’s acknowledgment, are rejected unless expressly agreed to in writing by Buyer’s Representative.

Seller’s staff shall perform such work as may be ordered by Buyer. The entire direction, scope, control, and interpretation of any work to be performed by Seller’s staff shall be made exclusively and solely at the discretion of Buyer. Seller shall at all times employ persons to perform the tasks who are fully experienced and properly qualified to perform the same.

3. DELIVERY: Shipments made pursuant to this Order must be shipped as specified in the Purchase Order. If Seller does not use Buyer’s specified carrier(s) and Buyer incurs additional freight cost as a result, such additional freight cost shall be Seller’s responsibility. Moreover, unless otherwise specified, Seller hereby agrees to the following:

(a) Buyer reserves the right to refuse shipments made in advance of the schedule set forth in this Order. If Seller tenders items for delivery to Buyer in advance of the delivery date specified in Buyer’s delivery schedules, Buyer may, in its absolute discretion, either (i) refuse delivery, return early deliveries at Seller’s expense, and require re-delivery at Seller’s expense on the delivery date, or (ii) retain such Items and make payment in accordance with the original payment schedule in the Purchase Order regardless of the actual date of delivery. Seller bears the risk of loss of all Items delivered in advance of the delivery date specified in Buyer’s delivery schedules.

(b) Overshipment allowances require prior Buyer authorization, and will be applied to the entire Order. Unauthorized overshipments shall be returned to Seller at Seller’s sole expense. Seller has the right to deem overshipments uneconomical to return, relieving Buyer of responsibility to return or pay for the overshipment.

(c) Time is of the essence in Seller’s performance of the Order, and Seller shall deliver Items and Services by the delivery date specified in Buyer’s delivery schedules. If Seller tenders items for delivery to Buyer after the delivery date specified in Buyer’s delivery schedules:

(1) Buyer may, in its sole discretion, refuse late deliveries.
(2) If Buyer agrees to accept deliveries after the contracted delivery date, the Parties agree that delays which are not excusable or mutually agreed upon shall be subject to liquidated damages of one percent (1%) of the total order value per day, up to a maximum amount of twenty-five percent (25%) of the Purchase Order value, for each day delivery or performance is delayed beyond the date set forth in the Schedule of this Purchase Order. Such liquidated damages shall be paid by Seller within sixty (60) days of Buyer’s acceptance of such deliveries. Buyer’s right hereunder to recover liquidated damages for Seller’s delayed performance is not an exclusive remedy for delay and shall be in addition to all other rights and remedies that Buyer has under this Order and at law and equity. The liquidated damages amount shall be subtracted from the line item value. If the delivery delay was as a result of any action taken on the part of Buyer, Seller shall notify Buyer in writing at the time the delay occurs and request that Buyer waive liquidated damages provided herein. Failure to notify Buyer will result in liquidated damages. Seller may not refuse shipment of said line item to avoid late delivery liquidated damages.
(3) If Buyer agrees to accept deliveries after the delivery date has passed, Buyer shall have the right to direct Seller to make shipments by the most expeditious means and the total cost of such expedited shipment and handling shall be borne by Seller.
(4) Acceptance of late deliveries shall not be deemed a waiver of Buyer’s right to hold Seller liable for any loss or damage resulting therefrom, nor shall it act as a modification of Seller’s obligation to make future deliveries in accordance with the delivery schedule set forth in this Order.
(5) Seller at the request of Buyer, shall provide a written explanation for the root cause of the delay, Seller’s corrective action plan to address the late deliveries and assurances that Seller will make all future deliveries in accordance with the Order requirements and schedule.

(d) Delivery shall be to the location directed by Buyer.

4. QUALITY CONTROL, INSPECTION, REJECTION AND ACCEPTANCE:

(a) Seller and its suppliers shall establish and maintain a quality management, inspection and counterfeit parts program acceptable to Buyer and consistent with current industry standards (e.g., ISO9001, AS9100, AS9115, AS9120, AS5553, AS6496, AS6174, etc.). Seller shall permit Buyer to review procedures, practices, processes and related documents to determine such acceptability. Seller shall have a continuing obligation to promptly notify Buyer of any violation or deviation from Seller’s approved inspection/quality control system and to advise Buyer of the quantity and specific identity of any Items or Services provided to Buyer during the period of any such violation or deviation. If Seller learns of any violations of its obligations under this Article, Seller shall within forty-eight (48) hours so notify Buyer and within sixty (60) days must rectify the non-compliance issues. If the violation is not corrected and certification has not taken place within this time frame, then Buyer at its sole discretion may terminate this Order. Seller will notify Buyer of any significant changes that affect quality within twenty-four (24) hours of that change. These changes include, but are not limited to, change in key management or personnel, change in source of supply of key materials, change in address or site configuration.

(b) Subject to applicable national security regulations, Buyer and Buyer’s Customer shall have the right of access, on a non-interference basis, to any area of Seller’s or Seller’s supply chain sub-tier premises where any part of the work is being performed. Seller shall flow this requirement down to its sub tier supply chain suppliers as a condition of this Order. Seller shall, without additional costs to Buyer, provide all reasonable in-plant accommodations, facilities, and assistance for the safety and convenience of the Buyer and the Buyer’s representatives in the performance of their duties.
(c) This Order may include requirements for design, test, inspection, verification (including production process verification), use of statistical techniques for product acceptance, and related instructions for acceptance by Buyer, and as applicable critical items including key characteristics and requirements for test specimens (e.g., production method, number, storage conditions) for design approval, inspection/verification, investigation or auditing. This Order grants Buyer and its customer the right to inspect and test material, work in process, services and supplies, but not the obligation. Seller retains the obligation to ensure proper inspection and testing. Seller shall keep and maintain inspection, test, and related records, for a period of six (6) years following completion of the order. Seller shall allow copies to be made and shall furnish all records required by the Buyer or Buyer’s Customer.

(d) Seller shall not provide non-conforming Items or Services. Buyer shall have the right to reject any Items or Services or lots of Items which it determines are defective in material or workmanship or otherwise not in conformity with the requirements of this Order and to require their correction or replacement, or to provide other disposition direction for the non-conforming Items or Services. Rejected Items or Services shall be removed or if permitted or required by Buyer, corrected in place by and at the expense of Seller promptly after notice, and shall not thereafter be tendered for acceptance unless the former rejection or requirement of correction is disclosed. If Seller fails to promptly replace, correct, or remove such Items or Services or lots of Items which are required to be removed, Buyer may:

1. replace or correct such Items or Services and charge to Seller the cost occasioned Buyer thereby;
2. pay for such Items or Services at a reduced price which is equitable under the circumstances;
3. cancel this Order, or any portion thereof, for default as provided in Article 19; or
4. exercise any other applicable rights or remedies.

(e) If Buyer rejects any Items or Services as non-conforming, and Seller fails to inform Buyer in writing of the manner in which Seller desires that Buyer dispose of non-conforming Items or Services within forty-eight (48) hours of notice of Buyer’s rejection of non-conforming Items or Services (or such shorter period as is reasonable under the circumstances), Buyer will be entitled to dispose of the non-conforming Items or Services without liability to Seller, provided, however, that in any event Buyer may elect to arrange for the shipment of any non-conforming Items or Services back to Seller at Seller’s expense. Seller will bear all risk of loss with respect to all non-conforming Items or Services and will promptly pay or reimburse all costs incurred by Buyer to return, store or dispose of any non-conforming Items or Services.

(f) Buyer’s payment for any non-conforming Items or Services will not constitute acceptance by Buyer, limit or impair Buyer’s right to exercise any rights or remedies, or relieve Seller of responsibility for the non-conforming Items or Services. In the event Buyer decides for any reason to accept non-conforming Items or Services, any costs incurred by Buyer testing, evaluating and manufacturing, related to the design changes to any of the Items or Services, shall be responsibility of Seller, and Seller may not pass along any costs in relation to the design change(s).

(g) Inspection and test by Buyer or its customer of any Items or Services or lots thereof does not relieve Seller from any responsibility regarding defects or other failures to meet Order requirements which may be discovered prior to acceptance or during the warranty period set forth in Article 25. In the event Seller discovers an Item or Service is non-conforming subsequent to performance or delivery, Seller shall promptly notify Buyer. Disposition shall be in accordance with paragraphs (d) and (e) of this Article.

(h) Final acceptance by Buyer of the Items or Services provided hereunder shall take place only after complete delivery of all Items or Services in accordance with the delivery schedule specified herein or later agreed upon by the Parties in writing and after final inspection of those Items or Services by Buyer and Buyer’s customer. Final acceptance shall be contingent upon agreement by Buyer and Buyer’s customer that the Items or Services conform to the requirements of this Order. Final acceptance by Buyer shall be conclusive, except for latent defects, negligent or intentional misrepresentations by Seller that a nonconformity or defect would be or had been cured or did not exist, acceptance induced by false or negligent assurances of Seller, or as otherwise provided in this Order or applicable law. Seller shall not consider acceptance to be Buyer’s Final acceptance until Buyer issues a Final Acceptance Document. Final acceptance by Buyer of the Items or Services delivered hereunder shall not limit or affect the warranty or indemnity granted by Seller hereunder.

5. PACKING: Unless otherwise specified in this Order, Seller shall be responsible for safe and adequate packing conforming to the requirements of carriers’ tariffs or, in the absence of such requirements, conforming to the best commercial practices. All expendable packaging materials must be legally and economically disposable or recyclable. Seller shall remain liable for any and all additional charges which accrue as a result of Seller’s failure to comply with Buyer’s routing and shipping instructions.

7. MODIFICATION OF ORDER: This Order contains all the agreements of the Parties with respect thereto and no course of dealing or usage of the trade shall be applicable unless expressly incorporated in this Order. The terms and conditions contained in this Order may not be added to, modified, superseded or otherwise altered except by a written instrument signed by Buyer Representative and delivered by Buyer to Seller. Modifications of this Order shall be handled pursuant to Article 12 “Changes and Equitable Adjustments.” Each shipment received from Seller shall be deemed to be exclusively upon the terms and conditions contained in this Order notwithstanding any terms and conditions that may be contained in any acknowledgment, invoice, correspondence or other documents of Seller, and notwithstanding Buyer’s act of accepting or paying for any shipment or similar act of Buyer.

8. ITEM SUPPORT:

(a) Seller shall agree to support the Items purchased hereunder during the operational life of the Items or for a period of ten (10) years from the date of final shipment under this Order and expiration of any warranty period if Buyer funds such support. The issuance of information, advice, approvals or instructions by Buyer’s technical personnel or other representative shall be deemed expressions of personal opinion only, and shall not affect Buyer’s and Seller’s rights and obligations hereunder, unless the same is in writing signed by Buyer Representative and which expressly states that it constitutes an amendment to this Order. If Seller considers that Buyer’s conduct constitutes a change, Seller shall notify Buyer’s Representative immediately in writing as to the nature of such conduct and its effect upon Seller’s performance.

In the event of Seller’s bankruptcy, Buyer may require Seller to post such financial assurance, as Buyer, in its sole discretion, deems necessary. The rights and remedies of Buyer in this clause are in addition to any other rights and remedies provided by law or under this Order.

All of the costs of the additional effort shall be borne by Seller. The rights and remedies pursuant to this Article are in addition to rights and remedies provided to Buyer under this Order.

SECTION 2 – AMS CLAUSES APPLICABLE IF THIS ORDER IS PLACED UNDER BUYER CONTRACT CONTAINING SUCH CLAUSES

In addition to the clauses of Section 1, the following provisions shall apply to the Order as required by the terms of Buyer’s Government Contract, by operation of law or regulation, or by the terms of the specific clauses. Buyer is flowing down to Seller certain provisions and clauses from the FAA Acquisition Management System (AMS) (all herein “USG Clauses”). These USG Clauses are hereby incorporated by reference, as applicable, and in the manner set forth below (including any parenthetical information regarding applicability, bracketed information regarding modifications to the USG Clauses). For certain USG Clauses, Buyer has provided parenthetical language describing the circumstances in which the USG Clauses apply to the Order. This parenthetical language may not encompass all situations where the USG Clauses apply and Seller is responsible for confirming whether the USG Clauses are applicable to the Order.

The effective version of the USG Clauses shall be the version in effect as of the date this Order is issued unless a different version appears in Buyer’s Government Contract, in which case the version in Buyer’s Government Contract applies. The Parties hereby agree to amend this Section 2 to include any additional or revised USG Clauses incorporated in Buyer’s Government Contract that are applicable to the performance of this Order. The Parties shall handle any such amendments of this Section 2 under Article 12 “Changes and Equitable Adjustments” of this Order. Seller shall flow down to its lower-tier subcontractors all applicable USG Clauses and any other requirements of this Order and applicable law so as to enable and ensure that Buyer and Seller comply with all applicable requirements of Buyer’s Government Contract.

It is intended by the Parties that these USG Clauses shall apply to Seller in such manner as is necessary to reflect the position of Seller as a subcontractor to Buyer, and to ensure Seller’s obligations to Buyer and to the Government, and to enable Buyer to meet its contract obligations to the Federal Government. Consequently, in interpreting and applying USG Clauses flowed down to Seller, and as context requires, the terms “Contractor” and “Offeror” shall mean Seller, the term “Contract” shall mean this Order, and the term “Government”, “Contracting Officer” and equivalent phrases shall mean Buyer and/or Buyer Representative. However, as an exception to the foregoing, the terms “Government” and “Contracting Officer” do not change in the following circumstances:

(a) in the phrases “Government Property,” “Government-Furnished Property,” and “Government-Owned Property;”
(b) in the Patent Rights clauses incorporated therein, if any;
(c) when a right, act, authorization or obligation can be granted or performed only by the Government or a Contracting Officer or his/her duly-authorized representative;
(d) when title to property is to be transferred directly to the Government;
(e) when access to proprietary financial information or other proprietary data is required, except as otherwise provided in this Order; and
(f) where specifically modified in this Order.

USG Clauses flowed down by Buyer to Seller pursuant to this provision may require submission of certificates. All such required certifications and certifications made by Seller in connection with flow down of USG Clauses, including all such certifications submitted by Seller with its offer, are hereby incorporated in this Order by reference.
