Cost or Pricing Data (applicable only if certified cost or pricing data has been provided).

The clause entitled “Subcontractor Cost or Pricing Data” is a part of this Order if the Seller was required to furnish cost and pricing data and a Certification of Current Cost or Pricing Data for this Order. 1. Indemnification

If any price (including profit or fee) negotiated in connection with the prime contract between the Government and the Buyer or any cost that is reimbursable under said contract is reduced because cost or pricing data furnished by the Seller in connection with any proposal submitted by the Buyer relating to said contract or in connection with this Order was not accurate, complete, or current, the Seller shall indemnify the Buyer in the amount of said reduction.

The phrase “cost or pricing data” as used herein shall be deemed to include any such data, which related to a lower-tier prospective or actual subcontract, at any level, which was submitted by the Seller or which it procured by submission of, in connection with the aforesaid proposal or this Order in support of its cost estimate.

i. Simple interest on the amount of such overpayment to be computed from the date(s) of overpayment to the Seller to the date the Buyer is repaid by the Seller at the applicable underpayment rate effective for each quarter prescribed by the Secretary of the Treasury under 26 U.S.C. 6621(a)(2); and

ii. For Department of Defense contracts only, a penalty equal to the amount of the overpayment, if the Seller knowingly submitted cost or pricing data which were incomplete, inaccurate, or non-current.

2. Cost or Pricing Data for Changes

Prior to the pricing of any change or other modification to this Order which involves increases and/or decreases in costs plus applicable profit in excess of the contractually required threshold (e.g. $100,000, $500,000, $550,000 or $650,000) and resulting from a change in the prime contract, subcontractors shall submit cost or pricing data and shall certify that the data, as defined in Federal Acquisition Regulation 15.406-2, submitted either actually or by specific identification in writing are accurate, complete, and current as of the date of completion of negotiations.

When required to obtain cost or pricing data from its subcontractors, pursuant to the provisions of this Order, Seller shall obtain such data.

iii. Pending any prosecution, appeal, or final decision or settlement of any dispute arising under this purchase order, the Seller shall proceed diligently, as directed by Buyer, with the performance of this purchase order.

Nothing in this clause nor any authorization or offer that may be made shall be deemed to constitute acceptance or acknowledgment by Buyer of the validity of Seller's claim or any part thereof, nor be deemed to limit or in any way restrict Buyer from taking any actions, including available remedies, it deems appropriate to protect its own interests.
